

# Community Development Company of Nesting

Newsletter N° 10, February 2021

Although the last year has been difficult due to COVID-19, CDCN was able to run the Scrap-store during the autumn and open the gym. CDCN was also able to help the community a little during the lock-down as you'll read below.

## Gym:

The gym is open and is a great success! We were well prepared and got it open as soon as we legally could, 31/08/20, and on that day we were able to induct six people. The gym saw its first use by clients on the 1<sup>st</sup> of September. At the time of writing we've inducted 83 people and the gym is being well used. Please contact our Development Officer at: [developmentofficer@cdcnc.co.uk](mailto:developmentofficer@cdcnc.co.uk) to register your interest in joining. And please read more about the gym here: <https://www.cdcnc.co.uk/gym>

## CV-19 news:

CDCN was able to use some CV-19 related grant support to help the community: by helping support the Skellister Stores with their grocery deliveries, by distributing grow bags and by upgrading our office space to offer to people for free — there is still time and space available in the office — if you are interested then please contact our Development Officer at: [developmentofficer@cdcnc.co.uk](mailto:developmentofficer@cdcnc.co.uk)

## Next projects:

Our architect has prepared designs for new developments at the Aald Skül, including a new building, a glamping area and a polycrub & allotment area; these will be available to view on display boards fixed to the end of the Scrap-store from the 28<sup>th</sup> of February. You can also view them on this webpage:

A paper copy of the Feasibility Study Report can be made available on request.

## Avyanna, Beauty Salon

CDCN is very excited to announce the opening of a beauty salon in the Victorian building at the Aald Skül. Leeann is opening *Avyanna* on the 28<sup>th</sup> of February, please see the advert on the back of this newsletter for further details!

## Other news and announcements:

- Due to the ever growing amount and complexity of CDCN's business, CDCN has recruited an admin assistant, Lynda Jozwik; she's off to a great start and is a valuable member of our team as CDCN moves forward.
- Skellister Stores is still offering a delivery service, please phone them on 890 374 if you're interested.
- In spite of being closed for three months last year, and having to contend with CV-19 restrictions, the Scrap-store managed to raise an incredible £13,000. This enormous achievement is largely due to the dedicated volunteers that run it, all the loyal customers and all of you who kindly donate items — thank you, and please continue to support the store.
- CDCN is planning a small project to enhance the community — there will be details about that in the next newsletter...

	<b>CDCN is funded by the surrounding funders.</b>	<b>The Scottish Land Fund</b> Which is funded by the Scottish Government and made available through The Big Lottery Fund. The Scottish Land Fund is being delivered on behalf of the Scottish Government by a partnership between the Big Lottery Fund and Highlands and Islands Enterprise. There are no lottery funds used in the Scottish Land Fund.
