

Community Development Company of Nesting

Newsletter N° 11, May 2021

Business is better than ever for CDCN: the Scrap-store has greatly increased trade; the gym is inducting people again and seeing steady use; and Avyanna is off to a great start with increasing numbers of regular customers.

Scrap-store:

The Scrap-store is doing better than ever, with our administrator, Lynda, managing it now and with greatly increased volunteering being done by a growing team of enthusiastic volunteers, the place is looking better and trading more than ever. Increased use is also being made of Facebook advertising, which has become a major part of the income and helps to match items we have up with people who need them. Due to popular demand we are delighted to announce that we will be opening on Wednesday afternoons between 1pm and 3pm, in addition to our usual Sunday opening; this will be a three month trial, after which this new Wednesday opening may be reviewed.

Gym:

The gym is inducting new clients again, so please contact the Development Officer at: developmentofficer@cdcn.co.uk to register your interest in joining.

You can read more about the gym here: <https://www.cdcn.co.uk/gym>

Next projects:

Subsequent to consultation with the near neighbours to the Aald Skül, and various other local persons and groups, our plans have been revised somewhat: the revised plans can be seen here:

A paper copy of the Feasibility Study Report can be made available on request.

All work will be at the Aald Skül and mainly involve cleaning the gym and associated toilet.
